*Our nation's most notorious assassins gather on stage to violently pursue a twisted American Dream. A multiple Tony Award-winning theatrical tour-de-force, **Assassins** combines Sondheim's signature blend of intelligently stunning lyrics and beautiful music with a panoramic story of our nation's culture of celebrity and the violent means some will use to obtain it. Bold, original, disturbing and alarmingly funny, **Assassins** is perhaps the most controversial musical ever written. A nightmarish roller coaster ride in which assassins from different historical periods meet, interact and inspire each other to harrowing acts in the name of the American Dream.*
